

Paediatric DVD Order Form

The Paediatric Life Support DVD is available to order directly from CPRO

The product has been developed to support the education of laypeople, specifically parents and carers to respond to an infant who requires Basic Life Support (BLS). It is based upon the Resuscitation Council (UK) 2005 guidelines and aims to help individuals become more confident in providing BLS to an infant.

COST

£9.99 (+1 p&p) for CPRO Members

£19.99 (+£1 p&p) for Non-CPRO Members
